## Locally grown, Grange crafted

Dane Blom – Executive Chef

A Sacramento native, Blom's earliest days in the restaurant industry date back to high school, where he discovered a passion for cooking that ultimately led him to attend the Culinary Institute of America in Hyde Park, New York. From there, he joined the team at fine dining, Michelin-starred restaurant Terra in the Napa Valley before returning to his hometown.

In March 2018, Chef Dane Blom accepted the position of Executive Chef at Grange Restaurant & Bar located in Sacramento's The Citizen Hotel. As Chef at Grange, Blom is focused on creating a seasonal, approachable menu that is continuously evolving to delight local palates. Blom echoes the farm-to-fork culture long embraced at Grange and nurtures his team to learn and grow.
